

Wessagussett Yacht Club 2011 Mooring Application

If you plan to have a boat at WYC for 2011, you must complete this form for each boat you plan to moor, including storm moorings. New members must fill out all sections - returning members only need to fill out the sections indicated with an asterisk (*), unless you have a new boat or wish to update your contact or service provider information. Forms must be submitted by **APRIL 30** to ensure your position in the field will not be lost. Boats whose applications are received after that date will be placed at the ends of the fleet. Early submission of forms is **GREATLY** appreciated (thanks in advance)! **All Members also need to provide proof of insurance.**
